

Dear MDMEF,

Thank you for sponsoring my class and offering the amazing performance. My students loved learning about the instruments and hearing all the music! Thank you for sponsoring this event!

MUSIC

I love
music

Dear Mt. Diablo Music Education Foundation,

Thank you for the performance and for using your time. My favorite part was when the violins played Toxic. I also loved when the violins played "Angry Birds." I was awesome when brass and the violins played together.

Sincerely,
Maria Barrera
